

PSHE follows the Life to the Full Plus Pathway 2 Programme which delivers the programme over 3 terms on a 2-year cycle. Therefore the learning stages (EYFS, KS1, LKS2 and UKS2) are spread over 2 years. The Gospel story sessions in Module One and the Trinity story sessions in Module Three are run every year as they are foundational to the Religious Understanding taught in the programme. Financial Education is supplemented by the PIXL Financial Education Package.

The golden threads

Created and Loved by God	Created to Love Others	Created to Live In Community
Children develop an understanding of their unique identity, self-worth and dignity as children of God. They learn about their bodies, physical and emotional health, feelings, personal development and life cycles.	Children learn how to build positive relationships, develop caring friendships, understand family relationships, show love and respect, recognise boundaries and keep themselves and others safe, including online.	Children explore their place in their local, national and global communities. They develop an understanding of rights and responsibilities, belonging, the common good, citizenship and contributing positively to society.

Our PSHE curriculum is underpinned by three golden threads: Created and Loved by God, Created to Love Others, and Created to Live in Community. These themes are woven throughout our curriculum to develop pupils' understanding of their own dignity and wellbeing · SS Peter & Paul Catholic Primary School
